

base colours

- Colour Express*** 33
élon's most popular service gives hair beautiful luster and shine in only 5 minutes. It's incomparable to any other colouring or conditioning service known today.
- Staining*** 47
For a slight hint of colour or for a dramatic colour change, this process lets you decide.
- Executive Blonding*** 47
A subtle, elegant blonding for the career driven woman.
- Hot Reds*** 47
Now more than ever, it's great to be a redhead. Complement your skin and eyes, and put a fiery spark in your image.
- Passion Blonding*** 95 & up
The platinum look Marilyn and Madonna made famous. A very sexy lightest of light blonde.

foils

INDIVIDUAL FOILS

- Specialized Spots** 5 per foil
Special placement of fine or chunky foil highlights/colour.
- Colour Topping** Base colour price + 3 per foil
A technique of 8 to 10 foil highlights applied along with the base colour.

FOILS 1/3•67 1/2•77 full•97

- Vanilla Icing***
The lightest of light frosting on small or large sections.
- Sunlit Blonde***
Highlighting and sun streaking make you look like you spent a summer on a beach.
- Shading***
Darker shades to blend graying or heavily lightened hair.
- Dimensional Lacing***
Two or more interchangeable colours for a naturally spicy effect.
- Balayage*** Ask your élon hairstylist about pricing.
Specialized hand-painted method. Beautiful and natural looking.

conditioners

- Clay Pack** 17
This deep, organic, botanical reconstructor adds strength, thickness, and moisture balance to the hair. Increase the elasticity and body of your hair as you enjoy it's refreshing, tension-relieving sensation.

- Protein Therapy** 25
A proprietary blend of protein and botanical extracts this therapy delivers silky texture with reflective shine. Enjoy more radiant color and soft, healthy hair with this strengthening conditioner.

- Bio Conditioner** 25
Fortified with nutrients that deposit vital minerals in each strand of hair, this treatment restores healthy luster and condition to the hair. Highly recommended for colour service clients to keep hues looking luminous longer.

- Glaze Conditioning** 30
Boost shine and silkiness with this exceptional treatment that smooths and seals the cuticle of the hair. You'll wonder how you ever lived without its youthful results. Perfect for all hair types.

perming systems

- élon's Designer Perm*** short•77 med•87 long•97
A wrapping method to complement your hair design. Wraps in the design of your style for minimal home maintenance.

- Spiral Perms*** short•110 med•120 long•130
The hair is wrapped on many rods vertically for lots of beautiful curls. Allow extra time due to the technical labor.

- Control Splash*** short•60 med•70 long•80
This no-curl quick and easy perm requires no rods to control unruly bends in hair. Enjoy added fullness, softness and body.
